"That the Mysore Appropriation (No. 4) Bill, 1970 be taken into consideration."

SRI D. B. KALMANKAR:—Sir I rise on a point of order. Rule 174(2) says that at any time after the introduction in the Assembly of an Appropriation Bill, the speaker may allot a day or days jointly or severally for the completion of all or any of the stages involved in the passage ofthe Bill by the Assembly and so on and so forth, Now, the Bill has been introduced and the Speaker has to allot a day or days for its consideration.

MR. SPEAKER:—The hon. Member has taken objection that the bill cannot be taken up today. I may bring to the notice of the Hon. House what happened in Lok Sabha. The Speaker, Lok Sabha, has said that in exceptional cases the Chair may allow Appropriation Bills to be introduced, considered and passed the same day. Besides the Business Advisory Committee has taken the decision that this bill should be completed today. The recommendations of that committee were placed before the House and accepted. So, it is a decision of the House. Therefore, I do not find there is any force in the point of order.
